UNIFIED SPORTSMEN OF FLORIDA
THE VOICE OF FIREARMS OWNERS IN FLORIDA

Organized in 1976, with the assistance of the National Rifle Association, Unified Sportsmen of Florida (USF) is a non-profit membership organization incorporated under the laws of Florida. Affiliated with NRA as the Florida Legislative affiliate, USF is an independent organization dependent on membership dues and contributions for financial support.

Unified Sportsmen of Florida was organized for the purpose of protecting the firearms rights of all law-abiding firearms owners in Florida and to preserve the firearms rights guaranteed in the United States and Florida Constitutions.

WHAT HAS USF DONE FOR GUN OWNERS?

- USF, under the leadership of its Executive Director Ms. Marion P. Hammer, has been on the front line leading the fight to protect the rights of target shooters, recreational shooters, hunters, collectors and citizens who own firearms for home and self-defense.
- It was USF that lead the fight and fought tirelessly for 7 years to pass "shall issue" Right to Carry legislation to reform Florida's oppressive concealed carry law. That landmark legislation has now become model legislation for the nation.
- It was USF that lead the fight to pass Florida's Firearms Preemption Law that wiped out hundreds of gun control ordinances in Florida's cities and counties.
- And it was USF, that fought to pass Concealed Carry Reciprocity; Hunter Protection; Shooting Range Protection; Gun Manufacturer Lawsuit Protection; and more!
- USF has worked to defeat gun bans of every description, registration proposals, gun owner ID card proposals, one-gun-a-month purchase limits, gun taxes, ammunition bans, ammunition taxes, hunting bans, hundred upon hundreds of restrictive gun control measures.
- USF is the ONLY full time organization in Florida dedicated to protecting Second Amendment rights.
